

RESIDENT SPOTLIGHT

Every resident adds a unique colour to our community, making it vibrant and inspiring in its own way.

This month, we celebrate one wonderful resident who is pursuing her passions and reminding us that hobbies bring joy not just to individuals, but to the entire neighbourhood.

Mrs. Deepa Verma – Finding Peace Through Gardening

Mrs. Deepa Verma, gardening is more than a hobby, it's a daily ritual of calm and connection with nature. From nurturing balcony plants to creating a small green escape at home, her love for greenery adds freshness and positivity to everyday living.

We are proud to have such inspiring individuals as part of our community.

HOME STYLING CORNER

EASY SUMMER STYLING TIPS

As temperatures rise, small changes at home can make a big difference in comfort and freshness.

Switch to light cotton or linen fabrics for cushions and curtains to keep spaces airy.

Add indoor plants like Areca Palm or Snake Plant for a cooler, refreshing vibe.

Use light-coloured décor accents to reflect heat and brighten interiors.

Keep balconies summer-ready with comfortable seating and soft lighting for relaxed evenings.

MESSAGE FROM THE COMMUNITY WITH GRATITUDE

A heartfelt thank you to all our residents for making this community a warm and welcoming Parivar. Your positivity and togetherness transform spaces into homes, creating a place where connections grow and memories are made every day.

A special referral program created exclusively for our extended Aakash Parivar.
