*the
tales of
nirvana*

*Your own story starts with
your closest relationships and in that
nice tapestry of relationships, you weave stories.
Similarly, with our creation of storeys, we also set
various pods of nirvana for you where you will
attain fulfilment. So, let's begin!*

Hope, you are
all ears to listen to the
*future stories
of nirvana.*
The abode and its residents'
own way of attainments.

*the birth of nirvana:
in the eye of the creator*

*a new kind of
nirvana is secretly
growing here*

The world thinks of nirvana as salvation.

Here, we have found the core of it. One attains nirvana when they find less conflict inside and outside.

At Nirvana - the project, the select number of families creating a closely-knit community assure you a world where only like-minded people will belong and zero conflict will bring in inner nirvana.

The chosen location of Sonari overlooking the Dalma Hills and Subarnarekha River create the outer nirvana for you. The mindful offering in the form of thoughtful amenities simultaneously create the perfect grounds for attaining the peace of both nirvana.

Team Aakash India

at the juncture of brimming stories

When life is surrounded by conveniences,
one does not really need anything else
to complement it. But at Aakash Nirvana, life is
convenient not just because of its prime location but also
because of the moments that will unfold here like stories
to create the nirvana of a complete living.

Double-height drop off entrance makes arrivals easy and stylish

*“hey handsome
happy birthday,
surprise!”*

*Kush finds the other side empty
on answering a knock on his new apartment.
Being dissapointed, he resumes making coffee against the view
of the Dalma Hills from his double-height balcony.*

*Suddenly Rina, his wife, who was supposed to return from Delhi, drops
a text “Meeting postponed. Will be back tomorrow. Sorry!”
He sombrely finds a place on the sofa.*

*Again, a knock. This time it’s his neighbour Mr Singh,
“Kush beta, could you please come over to help?”
“Sure!” Kush followed reluctantly.
As soon as he entered, he saw Mrs. Singh
on the piano singing ‘Happy Birthday’.*

*“Wow! How did you know?” Kush was overwhelmed.
“This is how!” they handed the phone to Kush.
“Hey handsome, happy birthday, surprise!”
It was Rina.*

At Aakash Nirvana you find a spacious, vivacious life with sights of wonder everywhere. The serenity of the river and the hills cast a transcendent aura while the project welcomes open and airy living. The architectural planning and design always keeps you in an elevated state of mind. It is where you meet the

nirvana of your soul-searching

*“don’t
touch
the pie
Aman!”*

*“Don’t touch the pie Aman!”
She warned her 10 years old, while setting the
table for the weekly brunch. Her brother, who
was visiting her for a month, was looking at
all the food on the table...
“Lasagna, Ravioli, Spaghetti and Bolognaise...
wow, you guys really like Italian, huh?”*

*She laughed.
“It’s in honour of our upcoming trip.
We’re all very excited!”
“I still can’t believe you’re going on an
international trip with neighbours you met
just 2 months back!” he said.*

*She smiled. “It’s just a select few of us here you know...
even we didn’t realise when we became family.”*

At Aakash Nirvana you'll find your own tribe of like-minded people and get the chance to build the kind of friendships that are rarely found in massive complexes. Savour the beauty of lasting relationships with neighbours that turn out to be more like family. It is where you find the in a close-knit community.

*“looks
quite
cheerful
to me!”*

*On her way back from the society gym,
Anu placed an order for ice cream.
Ever since shifting homes, her daughter
has been excessively missing her old friends.
“This’ll cheer her up,” she told her husband.*

*Suddenly, a familiar gleeful laughter could
be heard. Anu found her daughter playing
with the other kids in the multipurpose court.
She turned to her husband who said
“Looks quite cheerful to me!”*

*“When did this happen?” Anu looked surprised
“The teenagers converted the multipurpose court into a hopscotch
zone for the little ones to play,” said her husband.
“Looks like our daughter has made some new friends”
“That’s so sweet. But...I ordered an ice cream thinking she’ll be home
alone, what to do?”
“Simple, just order some more!”*

A black and white photograph of two children, a boy and a girl, playing hopscotch on a chalkboard. The boy is on the left, wearing a light-colored polo shirt and dark pants, and the girl is on the right, wearing a light-colored t-shirt and dark pants. They are both in a crouching position, ready to hop. The chalkboard has several hopscotch grids drawn on it with white chalk. The background is a dark, textured surface.

At Aakash Nirvana, childhood gets to breathe free and make happy memories! The dedicated multipurpose court is well-equipped to keep your kids busy in fun activities while they make new friends and live their childhood the way you have always wanted them to. It is where you find the

nirvana of active recreation

Multipurpose court | Indoor games room | Kids' play area

*“happy
anniversary,
Mrs. Kapoor”*

*She walked with a book to her favourite
sitting zone and noticed a sticky note there.*

*“meet me at the pool,”
it said, and there was a red rose beside it.*

*She sighed and proceeded to the terrace, where he was sitting
at the poolside, with his feet in the water.*

*“You’re 60 Navin! And you’re leaving me notes in random
places. Could you at least act your age?” she said, as she sat
down beside him. “If I had acted my age 43 years back,
I would have never gotten you, you know?” he winked.*

*“Right. 43 years and you
still don’t remember that I hate roses.”*

“Actually, I do.”

*He said, as he brought out a bunch of yellow carnations
“Happy Anniversary, Mrs. Kapoor” he whispered, as his feet
bumped against hers under water.*

*The water of the edgeless pool seemed to be merging with the
crimson sky in front and in that moment, there was nothing
but the rippling of water and endless skies between them.*

*At Aakash Nirvana, the club-house
on the terrace is the highest in the city.
It inspires relaxing introspection where moments
bring back your most cherished memories.
The edgeless pool merges with the open horizon
and transports you to the ethereal.
It is where you find the*

nirvana of solace

architect's note

Nirvana of treasurable moments

'Luxurious Living' is the key word for NIRVANA. Spacious apartments are designed such elegantly that each of them has multiple double-height terraces, along with lavish and astounding balconies. Beautiful plants could be kept to create one's own terrace gardens, adding the spectacular feeling of a garden to its beautiful living space and splendid bedrooms. Moreover, all apartments have been designed following the rules of Vastu.

The context and location of the site inspired us to design the elevation of NIRVANA- with meandering terraces, creating the opportunity for residents to enjoy the astonishing views of the Kharkai and Subarnarekha Rivers with the majestic sight of the Dalma Hills from every apartment. The exquisite scenery of the sun setting behind the Dalma can be enjoyed from these terraces.

The Swimming Pool, its deck along with the Gym, are meant to admire the rivers and the hills every time, for everyone residing here.

Not only that, it also possesses a large, open park and playing area, in which residents may enjoy playing sports or simply see and feel the scenic beauty all around. The grand double-height lobby, the greenery, the Temple as well as the common facilities are planned and positioned carefully for the well-being and prosperity of the valuable residents.

team

ARCHITECT

Beyond Architecture

Beyond Architecture is a young Design Studio based in Kolkata, offering a one-stop solution for all your Architectural, Master Planning, Interior and Landscaping needs, officially active since April 2012. For the last two years, B.A. also provides one window service to the Client for MEPF, Structure. We have been trusted by our patrons to work on a variety of projects and typology which includes Large Scale IT-Parks, Commercial Buildings, Educational Buildings, Villas/ Bungalows, Interior Design, Landscape Design of Townships, Steel Plants, Retails, Residential Complexes, Mixed Use Developments, and Master Planning for Integrated Townships.

LANDSCAPE CONSULTANT

Beyond Architecture

Beyond Architecture has got an excellent experience in landscape design of individual villas of prestigious projects, high-end residential complex to townships, IT Buildings, etc. in various cities of the eastern part of the Country. Finer senses of creation of spaces like public, semi-public, private, covered, and semi-covered with perfect material and texture selection is the USP of B.A. The principal architects consciously select routes to keep the ecological aspects like fruit-bearing and nesting trees for birds, flowering shrubs for bees and butterflies, etc. Plant selection is done considering the climate, shed, and growth of leaves, color, foliage, shape, and size. Ease in maintenance, and water consumption are given special importance while selecting plant species and materials for softscape and hardscape.

STRUCTURAL CONSULTANT

S.P.A. Consultants

S.P.A. CONSULTANTS, a firm registered in Kolkata of Structural Engineers started in the year 1987 by Mr. Sanjiv J. Parekh. Gradually the firm has now grown in a new shape & added activities and in a modest size having a pool of three Associates, four Design Engineers and 17 CAD Engineers. The firm provides consultancy services in the field of Structural Engineering for various types of projects.

BRAND CONSULTANT

BetheBee

Bibhor Singhania & Banibrata Goswami have been working with the real estate pioneers across the nation, and serving more than 100 clients and 250 real estate projects across West Bengal, Maharashtra, Chattisgarh, Assam, Bihar, Orissa & many more states. Be the Bee is one of India's most promising advertising agencies, with a bunch of innovative ideators and strategic thinkers. We aim to serve the most creative as well as effective branding approaches, that touch all the verticals of marketing and create a distinguished position with the help of outstanding aesthetic skills for each real estate project.
